

At a Glance

With a bold, innovative vision for a healthier America, Independence Blue Cross and its subsidiaries continue to grow and expand. We serve nearly 10 million people in 25 states and District of Columbia.* We offer a diversified portfolio of products and services, including medical coverage, administrative services, and pharmacy, dental, vision, and other specialty services.

THE POWER OF BLUE

More than 105 million people — nearly 1 in 3 Americans — rely on BCBS companies for health care coverage. 86 of the Fortune 100 companies offer Blue health plans to their employees.

In 2014, BCBS companies collectively invested nearly \$400 million in communities across the country to help address some of our nation's most pressing health care challenges. And, BCBS employees donated \$9 million to community and social causes.
